Ron;

Yes. I'm on vacation. We will have to finish this when I return.

Are you currently on vacation? I wanted to discuss Switch's desire to see the documents and think that we might have a compromise. At the very least, perhaps enough that it would be productive for our clients to speak. Additionally, you have told me that you'd have a revised keyword list and a list of the allegedly misappropriated trade secrets this week. At this point, I assume I am not getting them before COB. What's the status of them?

Thanks, and if you are on vacation, I hope you're having a good time.
